All classes are held at the Portola Medical Clinic downstairs conference room unless otherwise noted.

*****Pre-registration is required.** Please log onto the EPHC Intranet, go to the Ambulance page and click on the appropriate class registration to open a new form. Fill out the form and submit. You will be automatically registered into the class you choose in the online form. You will also receive a reminder email ONE week prior to your class.

Pre-tests: Both ACLS and PALS require a pre-course test completion in order to take the class. Please complete and bring your test results with you to class.

ACLS and PALS are both renewal courses. If you have an expired ACLS or PALS certification, you will need to schedule a full course. Please ensure you enter your certification expiration on the registration form.

Books: Please indicate on the registration form if you will need a course manual for any course. All course exams are open book. Please see Corina to obtain a book. Books will need to be returned immediately after course completion.

Urgent Needs: Unscheduled classes cannot be guaranteed, so please be diligent about signing up for classes **PRIOR** to your certification expiration. If your certification is expiring before the next scheduled class, you may call either Corina Tidwell at 832-6586 or Laura Morrell-Marsh at 530-559-2208.
